Mr. Chair:

Your Committee on Public Works and Sustainability, to which was referred Departmental Communication 268, hereinafter Dept. Com. 268, regarding:

“DOCUMENTS CONVEYING ROADWAY AND EASEMENT FOR PUBLIC USE
IN WAIPIO,”

from the Department of Design and Construction, dated April 3, 2014, reports as follows:

The purpose of Dept. Com. 268 is to request that the Council approve the grant conveying flowage easement 4971 for public use in Waipio.

Dept. Com. 268 attests that roadway lot 14250, proposed to be dedicated to the City, has been laid out, improved and approved in conformity with ROH Section 22-3.9 and the subdivision regulations. Accordingly, pursuant to ROH Section 22-3.9, the roadways shall be deemed accepted for dedication by the City Council, without further action by the Council, 30 days from the receipt of Dept. Com. 268.

ROH Section 22-3.9 does not apply to the grant of the aforesaid flowage easement and therefore as to that easement, the Council is being asked to approve and accept the easement.
